EDUCATION

Ph.D. Student Zhejiang University, since Sep., 2013
Computer Science, State Key Lab of CAD & CG
Adviser: Kun Zhou

M.S. Xidian University, 2013
Telecommunication Engineering, State Key Lab of ISN
Advisor: Guang Jiang

B.S. Xidian University, 2010
Telecommunication Engineering

RESEARCH INTERESTS

3D modeling and reconstruction, texture mapping and synthesis

PUBLICATIONS

2018 Meng Zhang, Pan Wu, Hongzhi Wu, YanLin Wen, Youyi Zhen and Kun Zhou, "Modeling Hair from an RGBD Camera." ACM Transactions on Graphics, conditionally accepted.

2017 Meng Zhang, Menglei Chai, Hongzhi Wu, Hao Yang and Kun Zhou, "A Data-driven Approach to Fourview Imagebased Hair Modeling." ACM Transactions on Graphics, Vol.36(4).

2012 Meng Zhang, Guang Jiang, Chengke Wu and Long Quan, "Horizontal Plane Detection from 3D Point Clouds of Buildings." Electronics Letters, Vol.48(13), pp. 764-765.

CONFERENCE PRESENTATIONS

Technical paper presenting author
Siggraph 2017, in Los Angeles, CA, "A Data-driven Approach to Fourview Imagebased Hair Modeling."

SKILLS

programming language

C++, Matlab, Python
